**ORDER CONTINUING STATUS HEARING**

19 On July 16, 2015, the Court issued a stay of the case pending resolution in arbitration. (Dkt.  
20 No. 22.) To provide a method of tracking the case, on July 16, 2015 the Court also set a status  
21 hearing for April 15, 2016. (*Id.*) The Court's order also required the parties to file "a joint statement  
22 informing the Court of the status of the arbitration" by April 8, 2016. (*Id.*) Defendants filed a  
23 statement on April 8, 2016 indicating that plaintiff did not respond to their requests for input into the  
24 status report. (Dkt. No. 23.) On April 12, 2016, plaintiff filed a statement indicating that plaintiff  
25 intended to "commence arbitration shortly" requesting that the Court "continue the matter 60-90  
26 days." (Dkt. No. 24.) The Court continued the status hearing set for April 15, 2016 to May 6, 2016,  
27 requiring a joint statement regarding the status of arbitration to be filed by April 29, 2016. (Dkt. No.  
28 25.) On April 28, 2016, the parties filed a joint statement regarding the status of arbitration, again  
indicating that plaintiff "intends to commence arbitration shortly" and again requesting the Court to

1 continue the status conference for two to three months. (Dkt. No. 26.) The Court **DENIES** this request  
2 as plaintiff has still failed to provide the Court with a substantive response.

3 The Court **CONTINUES** the May 6, 2016 status hearing to its 9:01 a.m. Calendar on **Friday**,  
4 **May 13, 2016**, in Courtroom 1 of the United States Courthouse located at 1301 Clay Street in  
5 Oakland, California. The Court **ORDERS** plaintiff to submit a statement providing further details of  
6 plaintiff's diligence in prosecuting this matter, in light of plaintiff's dilatory conduct, by no later than  
7 May 6, 2016.
